2019 Product Review
Our Story

Children’s Factory has combined the very best childhood equipment brands to provide a one-source solution for the finest classroom furnishings and indoor/outdoor active play products. These well-respected brands of Angeles, CF and Learning Carpets, have a combined total of over 100 years of innovation, superior craftsmanship and uncompromised quality. Based in the Midwest, our growing team is passionate about creating safe products that encourage growth through the power of play!

Dealer Portal

Our new dealer portal provides access to abundant resources when you need them most. View account activity and obtain documents, product images, sales sheets and so much more. Easily request COC’s, samples and other tools needed to help your business run smoothly. You’ll find that placing orders and paying invoices will be a breeze and don’t forget to check out the new Dealer Specials section!
Special attention is given to every detail. Our products intricately are designed and manufactured with the highest quality standards and rigorously tested by third party labs for safety. Indoor products are also GREENGUARD gold certified to ensure a healthy indoor environment.

Please join us on Facebook, Instagram, Twitter and LinkedIn for the latest news and product announcements. We also welcome the opportunity to share your promotions with our followers. Please be sure to let us know of any upcoming sales by contacting your Account Manager or mktg@childrensfactory.com.

PlayPanels® FEATURES

- Lightweight PlayPanels® divide rooms into more functional spaces, allowing children to learn in smaller groups with less distraction.
- Frame is an easy snap-together plastic design.
- Vinyl panel has elastic loops which creates a secure and taut fit.
- Double Claws create flexible hinges to position in place or fold and store.
- When ordering single panels, we suggest ordering 1 set of CF900-903 PlayPanels® legs for every 3 panels.

Make the most of your classroom by keeping everything in its place. A tidy room creates a safe environment by keeping teaching supplies out of reach and removing tripping hazards such as toys, coats and backpacks from the floor.
Assembled Birch FEATURES

• Constructed from strong, 5/8” thick, 11-ply birch veneer panels
• Non-warping, 1/4” thick woodgrain backs are recessed into side and top panels and screwed into place
• Shelves are glued and doweled for extra strength
• Units feature rounded corners and continuous hinges to prevent little fingers from getting pinched
• Surfaces are finished with a tough, scratch-resistant, easy to clean, UV finish
• Toe-kicks prevent objects from going under units
• Mobile units feature easy-roll casters that make moving a breeze
• Ships via freight only
• Lifetime warranty

**GREENGUARD Gold Certified Products**

Children's Factory, LLC has received GREENGUARD Gold standard certification. The GREENGUARD Gold standard includes safety factors to account for sensitive individuals, such as children, and includes requirements that a product is acceptable for use in school environments. In addition to limiting emissions of more than 36 VOCs and total chemical emissions, GREENGUARD Gold Certified products must also comply with requirements of the State of California's Department of Public Health "Standard Method for the Testing and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers, Version 1.1 (2010)" (also known as California Section 01350).
