OVERVIEW:

Dual brake system gives hand and foot braking options. Designed to fit through standard doorways, the wheels swivel 360 degrees for easy maneuverability. Comfy and safe seats feature 3 tiers of stadium-style seating, 5-point harnesses, and recline 14-degrees. Front seats have a special safety bar. Included canopy is water and fade resistant. It features adjustable side shades. Spacious, rear storage is provided for toting necessities. Easy assembly required. Each seat accommodates a child up to 40 lbs.

MATERIALS:

RunAbout frame is welded with solid powder-coated steel for strength and durability, and seats are molded plastic.
