THE 2023 WOOD COLLECTION

THE ANGELES 2023 WOOD COLLECTION

Building the Future. Together.

Angeles® has been designing and building kids' furniture and play equipment since 1958. Creating inspired spaces that encourage imagination and learning is our goal. It's the reason our team of master craftsmen and designers is constantly learning and improving their skills by utilizing the latest technologies. Partnering proven know-how with innovation is how we exceed our customers' expectations. We build quality furniture and sweat the small stuff so our customers can build tomorrow's future generation.

HEALTHY. HAPPY. HARMONIOUS.

Kids are unique. Providing them with the right environment - one customized to suit their ever-evolving need is the key. Our wood furniture brings a harmonious vibe to any space. With its milky, natural wood tones, it complements any color palette. This means you can customize spaces with virtually any decor. No matter your style, Angeles wood furniture will coordinate perfectly without overwhelming kids' senses.

2023 WOOD COLLECTION

MOBILE. MULTI-USE.

Creating inspired spaces for children is effortless with Angeles's line of contemporary furniture.

Our wood furniture employs simple and timeless designs to modernize your learning and play spaces. Our furniture captivates the imagination and encourages energy without causing disruption.

HIGH-QUALITY

Made from durable birch-ply wood, these products are designed to last for years to come.

EASILY CLEANED

Products are easy to clean and sanitize. Durable finish holds up to being cleaned again and again.

SAFETY TESTED

All units exceed minimum safety tested standards for children of all ages.

USE. MODERN.

Furniture that works for you. Intentionally designed to bring the perfect balance of nature and purpose into the classroom.

Mobility and multi-use functionality are sure to fit any classroom need.

FLEXIBLE OPTIONS

Assembled or Ready to Assemble?
It's up to you!

ASSEMBLED

We know your time is precious, so we assemble it for you! Your unit will be pre-assembled and ready to roll.

READY TO ASSEMBLE

We know every penny counts. Assemble your own units with provided instructions, tools, and assembly videos.

OR

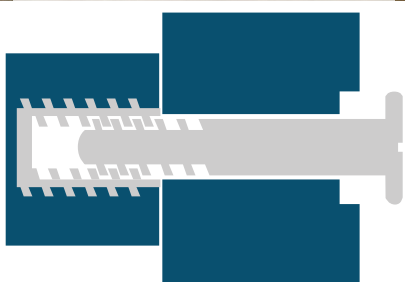

THE DIFFERENCE IS IN THE DETAILS.

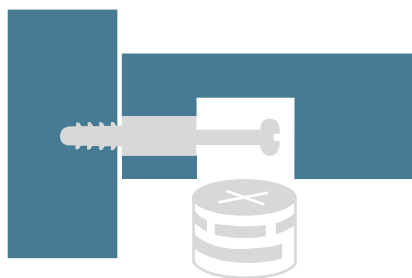

Busy parents and educators need hyper-mobile furniture that could carry a significant load. Our wood collection includes industrial-grade casters.

Constructed for durability, Angeles uses premium birch-ply wood with a kid-tough, UV-lacquered finish that resists stains and scratches. Every raw material and design feature is chosen to promote child safety and a healthy environment.

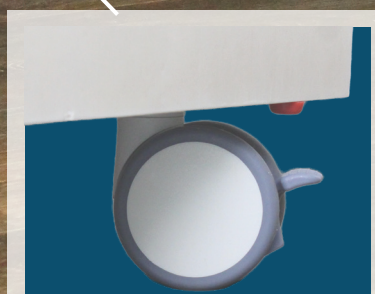

Intentionally designed to endure rigorous use in any setting. All Angeles wood items include a lifetime warranty and are GREENGUARD Gold Certified to give parents and educators peace of mind.

Angeles bolt & thread assembly

Other less durable cam screw construction

Locking 3" casters with rubberized tread easily maneuver over carpets and doorway thresholds

Durable birch ply is built to last for years to come

Milky white color is neutral and fits with any decor
