by Children's Factory

Customization and Versatility at Your Fingertips

Mix, Match, and Make It Yours

Introducing Happy Hangout Flexible Seating TEAM, designed to adapt. Whether you're looking to create a cozy corner, a spacious lounge, or a playful hangout spot, our collection lets you mix, match, and create the perfect setup for any space. Choose to customize your own with individual pieces that suit your style or from our pre-designed sets.

The Team

Contour Chair: Sleek, ergonomic, and perfect for lounging.

Contour Sofa: Spacious, comfortable, and ideal for gatherings.

Corner Ottoman: A versatile addition for extra seating or footrest.

FlexCube: The ultimate multitasker—use it as a table, seat, or ottoman.

HAPPY HANGOUT

The Ultimate Happy Hangout

Designed with contouring that helps maintain its shape longer for extended use.

No hard edges

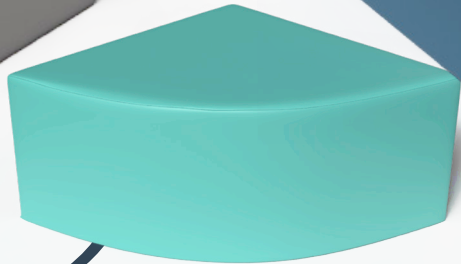

Contoured to alleviate pressure on joints and muscles, promoting good posture.

Covered in soft vegan leather

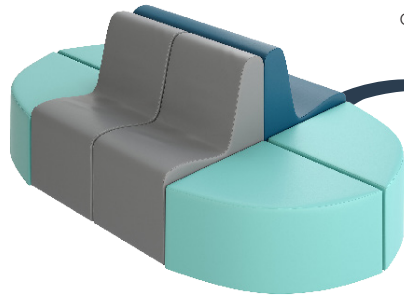

Dense, high-quality foam offers superior support without the need for a traditional wood frame.

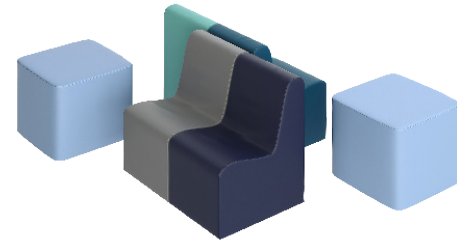

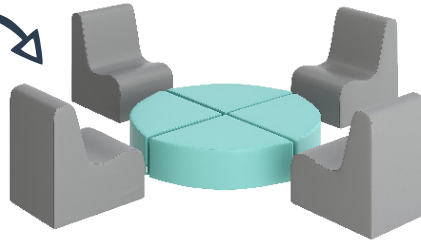

Lightweight

We use vegan leather, which is more environmentally friendly than traditional leather due to lower carbon emissions and the use of plant-based and renewable materials. It's durable, easy to clean, water and scratch resistant. It meets the rigorous TB 117-2013 fire safety standards. We only use CertiPUR-US® certified foam.
